**SPECIAL ITEMS**

Items not identified on the product repair list will be repaired using the standard hourly repair rate plus parts, if the item is repairable. Please contact TeeJet Technologies Technical Support department for more details.

**RETURNING A PRODUCT FOR REPAIR**

All items returned for repair from end users or non-TeeJet Technologies dealers must be pre-approved by a TeeJet Technology dealer. Please contact your regional TeeJet Technologies office or TeeJet Technologies Technical Support department if you need assistance finding a dealer.

**Remember to include a brief written description on the reason for your return!**

An ‘RMA’ form can be requested via support.aabybro@teejet.com

**CLEANING REQUIREMENTS**

Products returned to TeeJet Technologies must be thoroughly cleaned and free of all chemical contamination. Items which are not properly cleaned will be returned to the owner at their expense.

**OEM PRODUCTS**

Repair of OEM products is normally handled by the OEM customer. Please contact your regional TeeJet Technologies office or TeeJet Technologies Technical Support department for assistance.

**DIAGNOSTIC AND ‘NO DEFECT’ CHECK OUT FEES**

1. Items returned for repair which are diagnosed with ‘No Defect’ will be charged a standard No-Defect diagnostic fee.
2. A diagnostic fee will also be applied to items which are diagnosed ‘Non Repairable’. These items will be returned or scrapped according to the customer’s request.

**SAME-DAY-REPAIR SERVICE CHARGES**

Customers requesting ‘Same-Day-Repair’ service will be charged an additional Same-Day-Repair service fee. Please note: Same-Day-Repair service may not be available on all products. Please contact TeeJet Technologies before returning the item.

**UNAUTHORIZED MODIFICATIONS AND REPAIRS**

Unauthorized modifications on any product manufactured or distributed by TeeJet Technologies will automatically void the factory warranty. Standard ‘Out-of-Warranty’ charges will be added to update the product(s) to ‘Warranty Status’.

**REPAIRED ITEMS WARRANTY PERIOD**

Items returned for repair to TeeJet Technologies will be provided a 90-day warranty period from the date of repair.

**SERVICE REPLACEMENT CONSOLES**

TeeJet Technologies dealers are responsible for stocking service replacement consoles. If a dealer is temporarily out of service inventory, TeeJet Technologies has a limited inventory of re-manufactured consoles to be used in special cases. Please contact TeeJet Technologies Technical Support department for specific product availability. The service replacement unit will be invoiced with the standard list price for the product. When the defect unit is returned to us, along with the order number following the replacement unit, the invoice will be changed to the actual repair price plus a Same-Day-Repair service fee.
