

# RXA-30 GPS ANTENNA

- Compatible with L1 GPS and WAAS/EGNOS signals.
- Proven high-gain GPS antenna with quadrifilar helix antenna element provides superior noise rejection and superior reception of lower elevation satellites when compared to traditional patch antennas
- IP67 rating for maximum environmental protection
- Convenient magnetic mounting solution
- RoHS compliant
- Approximately 7.5" H x 3.5" W x 3.5" D
- Kits with 20' or 30' cable length

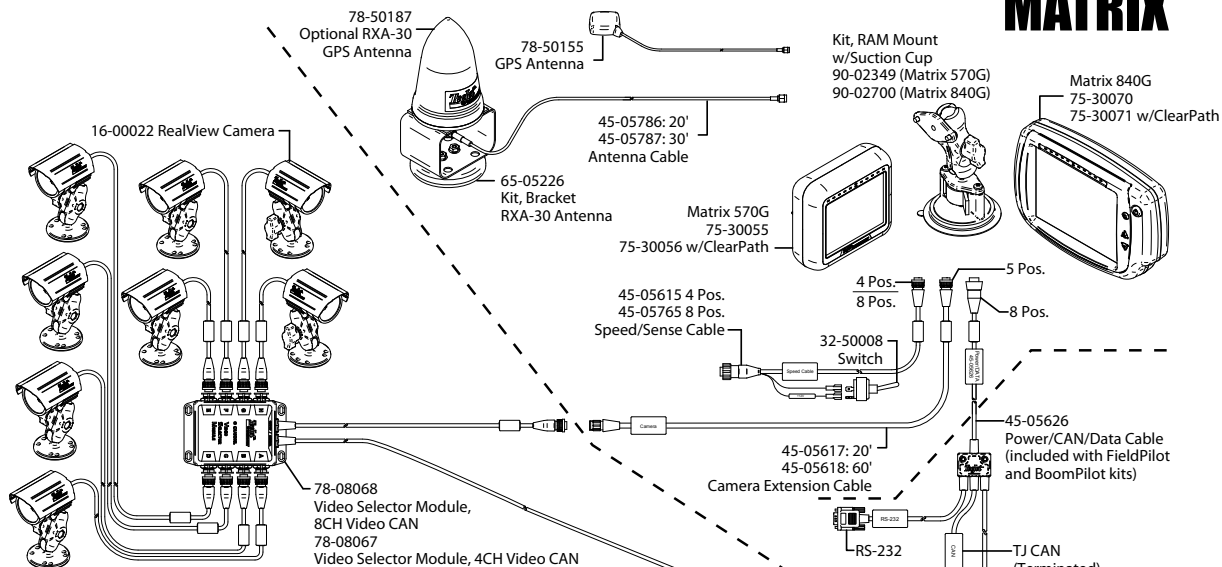

## How to Order

Part Number	Description
<b>KITS</b>	
90-02720	Kit, RXA-30 Antenna w/20' Cable
90-02721	Kit, RXA-30 Antenna w/30' Cable
<b>COMPONENTS</b>	
78-50187	Antenna, RXA-30
45-05786	Cable, RXA-30 Antenna, 20'
45-05787	Cable, RXA-30 Antenna, 30'
65-05226	Kit, Bracket, RXA-30 Antenna
